

# St Joseph's School

Dear Parents, Guardians and Students

## Year 7 Excursion to Scitech – 15<sup>th</sup> September

The Year 7's will be attending **Scitech** to participate in the following activities:

### Sky's the Limit Workshop

A high-energy, hands-on workshop where students tackle a real-world aeronautical challenge inspired by the defence industry. They'll design, build, and test plane wings, using an interactive process to refine their prototypes for peak performance. Students will explore the world of engineering and discover the exciting possibilities of STEM careers.

### Scitech Planetarium Show

Scitech's world-class planetarium show and guided tour will inspire students to contemplate our night sky, the origins of the universe, and how they might get involved in the future of space exploration.
